ABOUT ME

I am passionate for delivering exciting and engaging video content that can draw the attention of a target audience. I have a strong understanding of videography which includes knowledge of cameras, additional equipment and editing software which I have used for commercial and event videography. In addition to freelance videography I have studied and worked in the TV and film industry as a camera trainee working with experienced professionals crews on high budget productions. I want to use my skills, knowledge and talent to help bussinesses attract more attention to their brands.

TV & FILM EXPERIENCE

Industry experience working on high-budget productions. Role as a Camera trainee and Runner, I learned from professional camera crews working with high-end equipment. I gained experience on location and studio shoots. Selected for the Mark Milsome foundation Trainee scheme.
